G **GAUR CITY-2**
Get used to more
GREATER NOIDA (WEST)

Be a part of the much awaited towers of the most admired township of Gr. Noida (W)

Gaur City was envisaged by Mr. Manoj Gaur with a concept of walk to school, walk to work and walk to play where each resident will have an access to all important places at a walking distance within the city itself. Today, that dream has taken shape and 95.91 Hectare (237 acres) Integrated Smart City, **Gaur City** and **Gaur City-2** is the first to get completion certificate and the first to give possession in Greater Noida (West).

With a unique blend of excellent location, budget friendly pricing and amazing infrastructure, Gaur City has a lot to offer. The township is Gold Certified by the **Indian Green Building Council (IGBC)** and its master plan has been designed by the renowned Singapore based consultant.

Not only this, the township takes care of all the daily needs of a resident right from grocery stores to vegetable and daily need stores, from crèche/play schools to a successfully running CBSE affiliated Gaurs International School, restaurants, petrol stations, upcoming Gaur City Mall with a 9-screen multiplex, the impressive Shri Radha Krishna Temple and everything else that a resident would need from a modern dwelling.
