MEADOWS

The word "MEADOWS" is rendered in large, green, serif capital letters. The letter 'O' is replaced by a black and red golf cart with a tan canopy. The letter 'S' is replaced by a white golf ball with grey dimples, sitting on a patch of green grass. A small black bird is flying above the golf ball. A blue and green stream flows from the base of the golf ball towards the left, passing under the 'S'.

LOW DENSITY A QUIET AND PEACEFUL

Those who are on the look out of serenity and refuge of nature, Meadows is the place to be.

Mahagun group is a conglomerate of companies operating in commercial, residential real estate and hospitality sectors. The group is synonymous with transforming barren lands into brilliant masterpieces of architecture and style. It has successfully delivered a number of residential projects in the NCR in addition to the development of Commercial Real Estate like Shopping malls, Hotels, Cineplexes etc. However, the development of residential real estate continues to be the core focus area for the group. It has already delivered approx 13.6 million sq. ft. of residential space covering about 9100 units and projects involving development of approx. 13.6 million sq. ft. covering about 9100 approx. units are currently under execution.

Absolute transparency in dealings, coupled with the highest standards and quality and timely delivery, continue to be the cornerstone of operations of the group. The group employs latest technology and techniques to cut down cost and to ensure development with sustainability by using 'Green building' techniques and through optimum usage of natural resources like water, air and natural light to cut down carbon foot print of its projects.

In addition to catering to the requirements of the mid-market segment, the group has also ventured into user luxury housing segment with the recent launch of its signature brand 'M Collection'.

Guided by absolute commitment, customer focus, innovation and professional expertise gained over the years, Mahagun endeavors to emerge as one of the key players in real estate construction and development, expanding its footprints to other geographical areas of the country, simultaneously diversifying its business interests.
